

A WORD FROM THE CHAIRMAN

Welcome to Califur.0. This is of course a new convention. I can say without a doubt that we have the most guests of any first year furry convention. From 2 the Ranting Gryphon to Chris Saunders, we have a little bit of everything, but the real guest here is you! For without you, the person who is reading this con book, I wouldn't have much of a convention to have run. It's you that makes this convention worthwhile. To hark back to ConFurence 0, "Our guests; You!" This aside, I must thank some people who helped me onto the road to ~~Chaos~~, err, running a convention.

Mark Merlino – Without his advice, encouragement and friendship, I would never have had a clue on where to get started.

Blue Jaguar – Who loaned us the capital for the hotel deposit. If you see him around the convention, please thank him.

Dawn Brit, Dennis Carr, Karmin Carr, and David Korgsen – Without their original idea to plan a camp out, the ball would never have started rolling for another large furry event in Southern California.

And of course, You. Yep, You, the person who is reading this con book. Each and every one of you. As I write this on May 14th, 2004, we are already well into planning Califur 2005.

In closing, thanks and...
Y'all come back now, Ya'hear?
